**From Hagstrom Maps : Orange County Atlas New York** before purchasing it in order to gage whether or not it would be worth my time, and all praised Orange County Atlas New York:

This detailed atlas is the most reliable of its kind. It includes a full index, U.S. state and interstate highways, hospitals, cemeteries, wildlife management areas, a government guide, zip codes, points of interest and much more.

From the PublisherThis atlas includes a full index, U.S. state and interstate highways, hospitals, cemeteries, wildlife management areas, a government guide, zip codes, points of interest and much more.
