**Timothy J. Sullivan : Oregon Coast Recreational Atlas: A Guide to Natural Resources and Recreational Opportunities** before purchasing it in order to gage whether or not it would be worth my time, and all praised Oregon Coast Recreational Atlas: A Guide to Natural Resources and Recreational Opportunities:

0 of 0 people found the following review helpful. Travel guidedBy Leah CastroGreat but a bit outdated.0 of 0 people found the following review helpful. OREGON GUIDEBy SCOTT WGOOD CONDITION OK GUIDE REMINDS ME OF A 1960'S TRAVEL BOOK,NOTHING SPECIAL0 of 0 people found the following review helpful. Adequate.By John R WilliamsThis guide looks a bit superficial, but it contains much of the information I was looking

for.I was looking for a bit more depth from the maps.I'll know more in a month when I get there.John R Williams

Here's all the information you will need to make the most of your pursuit of coastal recreation. From campgrounds to hiking trails to prime tidepools, whale watching, and birding areas, this book will tell you what there is to do on the Oregon coast, and where to do it. The unique combination of detailed, full-color maps and descriptive text will help you to plan, schedule, and enjoy the most interesting and fun-filled vacation or outing possible. This book is a coastal companion that every Oregonian and visitor will use over and over again while exploring Oregon's incredible coastline.

"The maps show virtually everything a recreationist might want to do on the coast, from birdwatching to golf courses." -- The Oregonian  
"useful beyond expectation ...as comprehensive as the title implies" -- Sunset Magazine  
About the Author  
Timothy Sullivan has a Ph.D. in biological sciences from Oregon State University and over 30 publication on environmental and natural resource topics. An environmental consultant in Corvallis, Oregon, he has spent much of the past 22 years exploring Oregon's coastline.
