Robert Shangle : Oregon Coast before purchasing it in order to gage whether or not it would be worth my time, and all praised Oregon Coast:

A spectacular color photography adventure along the Oregon Coast, featuring 48 full-color photos of this scenic wonderland from border to border: Astoria to Brookings. Each image features informative text, allowing the reader to reach an understanding of the areas significance as well as its beauty. A must have book for traveler,gift giver,and

memory seeker.
