Harriet Baskas : Oregon Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Oregon Curiosities: Quirky Characters, Roadside Oddities Other Offbeat Stuff (Curiosities Series):

1 of 1 people found the following review helpful. Oregon as you don't know itBy James C. CasterlineI know the

author. I met her 32 years ago but found the book last week. This was an entertaining book. It retold some stories I already knew. It educated me on new curiosities. It overlooked some small details. It made me want more information on some points. I found myself wondering how she found some of the obscure things she found. if Oregon interests you: buy it. On Kindle it is inexpensive and easy to get. Definitely worth your time. 1 of 1 people found the following review helpful. Horribly BoringBy L.S.I was really excited to get this book, as one born in and recently returned to Oregon. I found it instead to be filled with boring, trite info that anyone can get anywhere. There are so many FABULOUS places to explore in this state, but this is the worst of the worst in how to do it. 1 of 1 people found the following review helpful. Love this seriesBy Elizabeth RaelleThis series continues to amuse me thoroughly. It gives me odd places to explore and I absolutely love it. They are my guidebooks to traveling. Amusing, well written and very informative.

Capture the strange-but-true spirit of Oregon with this combination almanac, off-the-wall travel guide, and wacky news gazette. This book is a great read for born-and-raised Oregonians, newcomers, and anyone else who enjoys humor and local trivia with a twist.
