Don Martin, Betty Martin, Betty : Oregon Discovery Guide 2 Ed before purchasing it in order to gauge whether or not it would be worth my time, and all praised Oregon Discovery Guide 2 Ed:

0 of 0 people found the following review helpful. Wow, received this really fast - good job! VBy CustomerVery helpful book - we're new to Oregon and this gives us lots of needed info. The book arrived at our new home before we did! I'd order from this vendor anytime. 0 of 0 people found the following review helpful. Extremely Helpful and Informative! By A CustomerI used this as my main reference book on a trip to Oregon last summer (1998). The info

was current, easily understandable, directions were very accurate. I loved the list of radio stations at the end of each chapter - it eliminates searching around the dial while you drive. And I contacted cities from the list of Chambers of Commerce and received a lot of additional helpful info. The best recommendation that I can give is that I'm headed for California this summer and the Martin's book is at the top of my short list of books to buy! PS - There is a 1999 update available now.

The only guide to focus specifically on driving tours of Oregon This unique, totally revised driving guide to the splendors of Oregon rambles from the Columbia River Gorge, the Cascades, and Crater Lake to Salem, Eugene, and Portland, highlighting the best routes, scenic detours, hikes, and city walks. The authors describe top local attractions and tell where to dine, recline, and camp in comfort.
