Stuart Warren, Ted Long Ishikawa : Oregon Handbook (The Americas Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Oregon Handbook (The Americas Series):

The fourth edition of this perennial favorite for Oregon visitors now contains hundreds of new or updated listings. A "Brewed Awakening" section describes the coffeehouses and microbreweries that are redefining America's social habits. Travelers are guided to see the world's biggest Douglas fir, enjoy an authentic French bistro, and take in a

melodrama, all in the same small Coast Range town. 99 photos. 72 illustrations. 36 maps.
