DisappointedBy HikingFoolThis book seems to have a Portland-centric bent. People from other parts of Oregon who are looking for recreational opportunities will probably be disappointed in the lack of coverage and lack of depth of what is covered.1 of 2 people found the following review helpful.

Excellent survey of Oregon nature highlights
By Chip
I've lived in Oregon for twenty years and still haven't seen more than a third of the places covered in this book. The places I usually go are described accurately and the other places inspire me to broaden my horizons.
