Have seen better and expected betterBy JohnThe photos were okay bur I had expected photos of our outdoor features such as Mt Hood, the ocean beaches, Thee Sisters ares, the high desert, eastern and southern Oregon I bought them as gifts for my Australian and New Zealand hosts so they could see all the wonders of Oregon and was somewhat disappointed that there were too many photos of city stuff.0 of 0 people found the following review helpful. Oregon - Wonder State!By Bill MuhrOne of the better pictorials of my home state. Breathtaking and a wonder to behold. Those not familiar with Oregon will be amazed by its diversity and beauty.

The diversity of ocean beaches and high desert, majestic mountains and lush valleys, and---of course, the scenic Columbia River Gorge are what makes Oregon both unique and beloved. Rich Schafer's magnificent images convey familiar scenes and evocative places from all across the Beaver State, including the undulating wheat fields of Central Oregon, the crystalline blue waters of Crater Lake National Park, colorful expanses of wildflowers in the Cascade Range, and the dramatic beauty of Multnomah Falls. From Cannon Beach to the Willowa Mountains, from the hillside orchards of the Hood River Valley to the volcanic monoliths along the Oregon coast, from Portland and Eugene's

cityscapes to Eastern Oregon's isolated grandeur, the splendor of this state is captured in this inspiring book.

About the Author Professional photographer, Rick Schafer studied under the late Photographer Laureate of Oregon, Ray Atkeson for twelve years. He has built on that experience to develop a photographic style all his own.
