**Ron Wardman : Oregon's Coos Region Canoe and Kayak Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Oregon's Coos Region Canoe and Kayak Guide:

Guidebook for flat-water paddling on inland waters of the Coos Region, along Oregon's South Coast. The 42 tours include information on put-ins, distances, times and other important tips and features. Includes maps for each tour, and

many photos.
