Jan Gumprecht Bannan, Bannan : Oregon State Parks: A Complete Recreation Guide before purchasing it in order to gage whether or not it would be worth my time, and all praised Oregon State Parks: A Complete Recreation Guide:

0 of 0 people found the following review helpful. Why pay?By Coast DogThe book took some work, it is well written and illustrated and mostly accurate from what I can see of the local state parks mentioned. All that said, I did not get any information from it that I could not get from free publication from the State Parks themselves. If you intend to visit a number of Oregon State Parks at a time then this may be a good one stop publication that has a little back round information such as " one of the few State Parks not to have a sign at the entrance" (Bolen Island, actually it does)but all the pertinent information you need is available from Oregon State Parks for free.0 of 0 people found the following review helpful. Five StarsBy gonzoGreat tool for your trip0 of 0 people found the following review helpful. goodBy Robert SomervilleNot as complete as I would have liked. It needed more detailed maps and driving directions. Over all a good book to use

Describes 110 state-managed outdoor areas, providing information on location, fees, hours, seasons, reservations,

activities, and regulations.
