From rocky coast and lush coniferous forest to the spectacular Cascade Mountains and eastern desert, the Oregon Wildlife Viewing Guide will lead you to 87 premier wildlife viewing areas and will better your chances of seeing wildlife once you arrive. Completely updated and revised, this new edition includes detailed descriptions of each viewing site and its wildlife, maps and access information, helpful wildlife viewing tips, and beautiful color photographs of Oregon's diverse wildlife and natural areas. This guide was created through the National Watchable Wildlife Program, a partnership initiative coordinated by Defenders of Wildlife.
