Judy Peterson-Nedry : Oregon Wine Country before purchasing it in order to gauge whether or not it would be worth my time, and all praised Oregon Wine Country:

19 of 19 people found the following review helpful. Wonderful blend of photos and wine country history By A Customer If you want an easy to read overview of Oregon wineries, this book is it. It's organized by both viticultural areas and by wine types. The book strikes a nice balance between enough information to be useful but not so much you that won't finish it. The photos are striking and show the breadth of the Oregon wine industry. A nice touch are the side bars introducing the winemakers and pioneers of Oregon wine. If you're into Oregon wine, I highly recommend it. 0 of 0 people found the following review helpful. lovely but out of date By Leadfoot Lovely book, but I sure wish they'd included a publication date somewhere on the first few pages, or I wouldn't have bought a 1998 wine book in

2014!

Luscious photography and anecdotal prose bring to life the excitement, romance, history, and fun of Oregon's finest vineyards and wineries in this mouthwatering book.

About the Author Peterson-Nedry has written about wine, food, and the Northwest since 1978.
