Joseph Cook : ... Orient, with preludes on current events (His Boston Monday lectures) before purchasing it in order to gage whether or not it would be worth my time, and all praised ... Orient, with preludes on current events (His Boston Monday lectures):

If intellectual faculties are common to all men, reason is also; if reason is common to all, then conscience, which commands us what ta do and what not to do, is common also; if this is so, there is a common law also ;if this is so, we are all members of some political community ;and if this is so, the whole world is in a manner one state. Marcus Aurelius :T houghts, iv, 4. The sun-orb sings, in emulation, Mid brother spheres, his ancient round: His path predestined through creation He ends with step of thunder sound. The angels from his vision splendid Draw power whose measure none can say; The lofty works, uncomprehended. A re bright as on the earliest day. And swift and swift beyond conceiving, The splendor of the world goes round; Day s Eden-brightness still relieving The a Avful Night sintense profound :T he ocean tides in foam are breaking, A gainst the rocks deep bases hurled, And both, the spheric race partaking, Eternal, swift, are onward hurled.
