NTC Publishing Group, Emma Stanford : Orlando Disney World (AAA Essential Guides) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Orlando Disney World (AAA Essential Guides):

Get the most from your holiday with compact, yet packed with information, helpful and easy to use guide. The Top Ten sights are picked out for you by the expert author and key places to visit in the main A to Z section are given star ratings to help you decide. Useful features such as The Ten Essentials (experiences not to be missed) and Peace and Quiet (getting off the beaten track) provide the perfect introduction. Detailed lists recommend the best places to eat and drink; where to shop; children's attractions; local activities and nightlife. All this, plus suggested walks and drives, colour photographs throughout, clear maps and practical travel advice should make this a useful guide.
