**From DK Travel : Orlando (Eyewitness Travel Top 10 Travel Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Orlando (Eyewitness Travel Top 10 Travel Guides):

1 of 1 people found the following review helpful. Simple and to the pointBy MirandaI am really glad I bought this book. I also purchased The Unofficial Guide to Walt Disney World 2008 and Beyond Disney. The latter 2 are Huge books (one of them being over 800 pages of info) full of more info than I can possibly dig into.This book is great because it is short and to the point telling you the top 10 attractions in many different categories. I suggest getting this book on top of your Frommers or Unofficial guide as it will help you know what you want to research in the other books.While there is not a lot of details in this book about each place, it is best used as a guide to figure out what you want to research more into. It also has some really nice fold out laminated maps on the cover which will be so helpful to bring with on our vacation.1 of 1 people found the following review helpful. Great overview of everythign Orlando has to offerBy Lehigh History StudentThis travel guide combines the right amount of Theme parks with classic Orlando. The top 10 attractions covered are primarily theme parks but then when region by region is broken down you can really see the various areas to explore in Orlando. From downtown Orlando to Cape Canaveral there are lots of fun and cheap things that can be done outside of Disney and Universal. This is a great start to planning any trip. If you are just going for the theme parks than I would use a different book but if you want to see it all this is the one to get.3 of 3 people found the following review helpful. Find the Best 10 of EverythingBy Virginia AllainDK is noted for it's thorough and colorful books. This book catagorizes the sights and gives the top 10 for each. Categories include: golf courses, places to cool off, festivals, high end restaurants, dinner shows, hip clubs, ways to have fun on the cheap, family restaurants, etc.Each listing has a short description plus the address, phone and sometimes the hours. I do recommend getting a basic Fodor's or Frommer's for your trip and supplement it with Top 10 Orlando.Within the theme parks, it lists the top ten attractions so you can make the most of your time. Really a handy little book (fits easily into a purse or camera bag).With so much to see in the Orlando/Kissimmee area, this helps you prioritize your visit.

A better value than all the competition, these pocket travel guides offer travelers the insight of local experts to easily plan the perfect trip. Take the work out of planning any trip with DK's Eyewitness Top 10 Travel Guides. Branded with DK's trusted and familiar "Eyewitness" style, these compact guides make finding the best every destination has to offer easier than ever before!
