Orlando (National Geographic Destination City Map)By CustomerIt's a nice map but not enough information for me.0 of 0 people found the following review helpful. Five StarsBy Sherry Henderson-Carleycant wait to get here !!0 of 0 people found the following review helpful. Five StarsBy Dr. Daniel J. SullivanVery pleased -- fulfilled advertisement

Waterproof Tear-Resistant Travel MapNational Geographic's City Destination map of Orlando is both a comprehensive map and travel guide for the city for business and leisure travelers alike. The city is presented using various maps with different levels of detail. A road map of the entire state of Florida shows the city's position in the center of the state and a regional map shows the roads leading in a out of the city. A city map of the Orlando area shows the city and its suburbs and inset maps of the Walt Disney Resort, International Drive and Downtown provide unparalleled detail of these popular areas. Pinpointed on the maps are hundreds of hotels, theaters, churches, parks, train stations, churches, notable buildings and points of interest.Each inset map is accompanied by an easy to use index of cities and towns, roads, hotels, attractions, golf courses, parks and other points of interest, which will aid in planning your route and arriving at your destination. A diagram of Orlando Airport will allow you to navigate this travel hub quickly and efficiently. Background information about the city, an overview of the public transit system and descriptions of top attractions in and around the city are also provided. Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:28,500Sheet Size = 24.75" x 17.75"Folded Size = 4" x 8.75"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking.Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
