**Susan Cole Kelly : Our Massachusetts** before purchasing it in order to gage whether or not it would be worth my time, and all praised Our Massachusetts:

With almost four hundred years of recorded history, Massachusetts offers a wealth of significant sites thats hard to match. "Our Massachusetts" is a pictorial celebration that showcases this states stunning vistas, offering a glimpse into what makes the region unique. From the vastness of the Berkshire Mountains and the emerald hills of Mount Greylock State Reservation to the Southeastern Massachusetts Bioserve and New Bedfords whaling trade; from the USS

Constitution and Boston's Freedom Trail to Plimoth Plantation and the site of the Salem witch trials to Worcester's Mechanics Hall and Springfield's Dr. Seuss National Memorial Sculpture Garden; from the charming seaside communities of Cape Cod, Martha's Vineyard, and Nantucket to the vibrant cities of Boston and Cambridge, "Our Massachusetts" celebrates the natural, historical, and cultural aspects of the Bay State.

Midwest Book , January 2007 It includes plenty of detail which lends to destination-oriented visitor plans.
