This Christmas I bought it for gifts. The pictures are unique because the photograper has a gift for seeing things that are beautiful and interesting and capturing them on camera. Any New Jersey native would relate to the pictures that bring back so many wonderful memories. I will always have this book on my coffee table.0 of 0 people found the following review helpful. Book was well liked!By nancy b.This was a birthday gift which I ordered for delivery in Florida while I was vacationing in England. It arrived in time for his birthday and he loved it!!2 of 2 people found the following review helpful. New Jersey 'Garden State'

ImagesBy PennyThis is a wonderful, comprehensive, inspirational book of my beloved home state of New Jersey. I now reside in Stuart, Florida along with many other 'Garden State' transplants, and when I began circulating my copy of the book, well.....Mr. Greer has been busy ever since mailing additional copies everywhere. It is a great Christmas/Holiday gift-giving book. Steve has dedicated many years in gathering these beautiful images of New Jersey, from its mountain tops to its many shores. He hasn't missed a thing, flower/fauna, wildlife, nature, people, especially the children and all the natural beauty found in the State, is captured magnificently. You will read and re-read this book. I also purchased the annual calendar that Steve issues each year, 2009 is titled simply 'New Jersey' I have also purchased in the past, another great 'Jersey' book: Natural Wonders of the Jersey Pines and Shore by Mr. Greer. Congratulations Steve on another work of art so beautifully and well done. Penny

For all the popular stereotypes of crowded turnpikes and industrial wastelands, New Jersey is in reality one of the most beautiful and diverse states in the nation. From sweeping countryside to vibrant urban centers to the celebrated Jersey Shore, the Garden State has something for everyone, and then some. With this lavishly illustrated book as a guide, the cultural riches and natural splendors of New Jersey are within your reach. New Jersey offers a wide array of attractions, all captured here in Steve Greers spectacular photographs. Follow Our New Jersey to the landmarks and sites celebrating the states seafaring heritage, its role in the Revolutionary War, its famous natives like Thomas Edison, and much more. Let the book introduce you to cultural experiences as different as Native American festivals, Ripleys Believe It or Not! Museum, and Atlantic Citys bustling boardwalk. Explore the diverse ecosystems, wildlife, and outdoor activities of the Delaware Water Gap National Recreation Area, or the wetlands, barrier islands, estuaries, bays, and rivers of the Coastal Heritage Trail Route. And finally, discover the quaint towns, lighthouses, and beautiful beaches that attract countless visitors to New Jerseys famous shore. All of these and far more are on glorious display in this full-color celebration of the Garden State, giving natives and visitors, travelers and armchair tourists alike a chance to experience the extravagant offerings of the real New Jersey.

From the Inside FlapFrom the popular beaches of the famous Jersey Shore to the dense pitch-pine forests of the Pine Barrens; from the charming towns of Cape May and Lambertville to the bustling streets of Trenton and Newark; from classic Jersey diners to amusement-filled boardwalks; from historic Revolutionary War battlefields to the quiet vistas of the Kittatinny Mountains and the Delaware Water Gap, every corner of New Jersey offers delights for the senses. Our New Jersey is a pictorial celebration that showcases the natural, historical, and cultural facets of life in one of our nation's oldest and most diverse states, offering a glimpse into what makes New Jersey so unique. More than 150 brilliant, color photographs of state parks, nature scenes, city festivals, tourist destinations, and cultural events reflect the spirit of New Jersey. These outstanding images are accented by lively captions and fun facts. The result is an homage to the Garden State that will be treasured by residents and visitors alike.From the Back CoverOur New Jersey is a stunning visual tour of every corner of the eclectic Garden State, including small towns and urban centers, state parks and historic sites, and breathtaking natural wonders.
