From Brand: Our Portland Story : Our Portland Story Volume 1 before purchasing it in order to gauge whether or not it would be worth my time, and all praised Our Portland Story Volume 1:

1 of 1 people found the following review helpful. Gorgeous entertaining must-have By Peter Korchnak Whether you live in Portland, Oregon, or not, this is a must-have book. Every page carries a new story, essay, or poem, and its very own design matched to the content. It contains our fine city's unique voices, young and old, new to town and natives. A great intro to the city by its residents, a worthy grassroots alternative to all official guides, and a unique sampling of the town's design talent. Also a fantastic addition to your coffee table and a beautiful and timeless gift (holiday or otherwise) to all your out-of-town friends. Buy it, and if you are in PDX and like to write, join me in signing up to contribute to Volume 2.

Our Portland Story Volume 1 is part yearbook, part insider's travel guide, and part collected memoirs, but is all about Portland by Portlanders. We sought submissions of stories from Portlanders of all walks of life and paired those stories with local designers to create artful snapshots of the city and its people at this place in time. Stories included in the book reveal historically important architecture, a description of a meaningful tattoo, observations from a TriMet bus ride, the story of a scooter-riding mom in pink, and many more. This is an ongoing project, and we encourage you to visit www.OurPortlandStory.com to browse stories and submit YOUR story for future editions of the book. This story project is an independent creative venture founded by Portland designer, Melissa Delzio. With this project, Our Portland Story seeks to create a greater sense of community identity and pride in Portland.
