Nicole Hansen : Out About in Rochester Southeastern Minnesota: A Guide for Visitors and Residents before purchasing it in order to gauge whether or not it would be worth my time, and all praised Out About in Rochester Southeastern Minnesota: A Guide for Visitors and Residents:

Rochester is definitely worth exploring: named most liveable small city in America several times by Money magazine, home of world-renowned Mayo Clinic and a remarkably rich cultural mix with wealth of activities and organizations. City maps, event schedules and attractions, this book is a comprehensive guide.
