completely satisfied with it and am happy to have a slot in my product block that it just fits in. 0 of 0 people found the following review helpful. Not in the detailsBy G\$This book is tolerable as a very general guide to things to do in Utah. I found several errors in some of the details. The one that springs to mind is that beer cannot be purchased in Utah on Sunday -- not true last I checked, (sunday). As a local -- it felt as though the authors hadn't really visited here -- just wrote things from other guide books.
