**Diane Buck : Outdoor Sculpture In Milwaukee: A Cultural And Historical Guidebook** before purchasing it in order to gage whether or not it would be worth my time, and all praised Outdoor Sculpture In Milwaukee: A Cultural And Historical Guidebook:

A delightful, fully illustrated guide to ninety-seven outdoor sculptures in Milwaukee. Included is an illustration of each work, a brief biographical sketch of the artist, background history, and a map location. Buck and Palmer interpret the sculptures and set them in the context of the city's history.

"This book is far more than a guidebook. In its totality and in its detail, it is one index to the social, cultural, and esthetic history of Milwaukee. It provides insights into how many Milwaukeeans--some humble, some rich and powerful--viewed the city developing around them..."-Frederick I. Olson , emeritus professor of history at the University of Wisconsin-Milwaukee
