**Gretchen Voss : Outside Magazine's Urban Adventure: Boston** before purchasing it in order to gage whether or not it would be worth my time, and all praised Outside Magazine's Urban Adventure: Boston:

0 of 0 people found the following review helpful. Great if you are new to BostonBy nychoosierThis is a great book if you are new to Boston and looking for outdoor activities. It covers a number of activities including hiking, biking, kayaking, and horseback riding. It also divides things nicely by their distance from Boston. After a couple years it still

helps me find new hikes in the area.

A where-to guide to outdoor adventure in one of America's greatest metro centers indispensable for today's young urbanites who crave outdoor sports and won't settle for less. Boston is an adventure sports fanatic's heaven. With superb opportunities within the city limits the Charles River and Boat Basin, the Bay and its islands, the "Emerald Necklace" of parks Boston's suburbs and outlying attractions are even more impressive. The North Shore, the South Shore, the Cape, and the Islands offer world-class destinations. Weekending offers kayaking or biking the Maine Coast, climbing New Hampshire's White Mountains, bike- or ski-touring Vermont. Here, among the countless choices, are the best destinations for two dozen sports. 75 maps

About the Author Freelance writer Gretchen Voss moved to Boston from Seattle five years ago.
