**K. Scott Parks : Pacific Crest Trail Pocket Maps - Southern California** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pacific Crest Trail Pocket Maps - Southern California:

1 of 1 people found the following review helpful. great mapsBy Luis83I'm planning a PCT hike from San Diego to....until I run out of time or desire to keep hiking. the maps are' great, they are clear and detailed. the first time I ordered this, the first 20 pages where from a different book (Calculus for Babies), I was tempted to keep it, but I needed the maps.0 of 0 people found the following review helpful. delivering exactly what I ordered-am totally

pleased!By Customerawesome-so detailed it will be virtually IMPOSSIBLE to get lost or turned around! thanks for, again, delivering exactly what I ordered-am totally pleased!0 of 0 people found the following review helpful. Must have map resource.By KyleGreat resource. Can't wait to order the other books, and use them on my hike in 2016!
