Great guide to use when planning a trip By fayebirdI love the National Geographic Guides -- I always check out the area we are traveling to because it tells you the best things to watch for and see in the area. 0 of 2 people found the following review helpful. Book has not been received By WoodclyfThanks for the reminder. I had ordered this book to be mailed to a relative. I called to check and it has never been received. Hmmm. Now I need to see what went wrong.....
