Raymond Chatelin : Pacific Northwest U.S.A. (Travel Bug Travel Guides) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pacific Northwest U.S.A. (Travel Bug Travel Guides):

Join Travel Big Pacific Northwest U.S.A. for a guided tour of some of America's most spectacular scenery. We'll Take you to Puget Sound, a giant Inland sea where 2,000 miles of shoreline bend into jewel-like bays; to the majestic, towering peaks of the Cascades; and to the lively cities of Seattle and Portland. Packed with breathtaking full-color photographs and eye-catching graphics, shows readers a vivid slice of life in the Northwest. With a wealth of practical trip-planning details and useful color maps, Travel Bug Pacific Northwest U.S.A. makes it easy to explore the great outdoors in this scenic region.
