If the book is 128 pages or about 10,000 words, then 120 pages and 9,000 words are repetitive. I got more out of the YouTube video than this.How to pack like a pro means pack light. Did I say pack light? I meant to say, pack light because if you pack light you pack like a pro. Did I say pro?This should have been entitled "Write Like a Bandit--How to Make Off With People's Money

and a Few Minutes of Their Time"Did I say, pack light? Packing for your honeymoon? Pack light. Packing for a ski trip, pack as light as you can.Avoid this book like you would avoid a free trip to Afghanistan.1 of 1 people found the following review helpful. HelpfulBy M. SantangeloI was going on a long trip and I was overwhelmed by how to proceed with condensing what I thought I should take with me as to what I only could take with me! I bought this book early last year and it was so helpful. The customized check-lists were worth the cost of the book - they are tailored-made for different travel destinations.Since I would be gone for awhile, the household check-list on what's needed to do and plan for before my trip also helped me to get organized.I am glad that I bought this book. It will be helpful for my family as they plan thir trips as well.0 of 0 people found the following review helpful. This book has been a huge help! I love it!By Linda MasonI love this book!
