**From Brand: Boston Mills Press : Paddle Quest - Canada's Best Canoe Routes** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paddle Quest - Canada's Best Canoe Routes:

Thirty-seven of the best paddling routes to be found from sea to sea to sea. Some of Canada's finest canoeists relate first-hand accounts of their favorite canoe trips -- lake and river, freshwater and saltwater, wild and urban, peaceful

and harrowing -- in each province and territory. This unprecedented collection also features 24 profiles of such paddling luminaries as James Raffan, the legendary Mason family, Claudia Kerckhoff-van Wijk, Mark Scriver, Wally Schaber, George Luste, Alex Hall, Ken Madsen, Kevin Callan, Gary and Joanie McGuffin, Hap Wilson, Kirk Wipper and others. In addition, three noted conservationists outline plans for protecting our wild waterways.

About the Author Alister Thomas has gunwale-bobbed on placid lakes, found himself upside-down (unintentionally) and backwards (intentionally) in frothing whitewater, and plied many of Canada's historic waterways. A Calgary-based journalist, he lives one block from the Bow River.
