**Nate Hoogeveen : Paddling Iowa: 96 Great Trips by Canoe and Kayak (Trails Books Guide)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Paddling Iowa: 96 Great Trips by Canoe and Kayak (Trails Books Guide):

0 of 0 people found the following review helpful. Four StarsBy Adam KGreat book to find new kayaking spots.0 of 0 people found the following review helpful. Reliable series of guidesBy MtnDaveAnother in the very helpful series of Paddling guides, the Iowa guide maintains the series standard as a very helpful reference for paddler community trip planning.2 of 2 people found the following review helpful. Paddling IowaBy V. ClarkGreat little guide to the rivers of Iowa....I've been paddling in the state for nineteen years and have learned a lot from this book. I highly recommend it.

It should be no surprise that Iowa, the "beautiful land" between North America's two great rivers, offers excellent paddling--from sinuous waterways snaking all across Iowa, with wild and rugged terrain, to spectacularly sculpted cliffs and canyons lining others. Packed full of trip ideas and environmental, geological, and historical points of interest, all canoeists and kayakers will find Paddling Iowa an invaluable guide. The book also includes precise maps showing roads, put-ins and take-outs, significant rapids, mileage, and general summaries covering camping opportunities, water levels, shuttle routes, access points, and canoe rentals.

Anyone who has paddled in Iowa or plans to do so in the future needs to have this book. -- Jeffrey S. Holmes, President, CanoeSport Outfitters  
Nate tells us why Iowa's streams and rivers are worth paddling, then shows us how to do it. -- Bob Modersohn, recreation reporter, Des Moines Register  
About the Author  
Nate Hoogeveen, a first-time book author and native Iowan, graduated from the University of Missouri's School of Journalism in 1998. He has written outdoor-related articles for a number of magazines including Outside, Hooked on the Outdoors, and Midwest Living. An avid paddler and outdoorsman, Nate is also interested in conservation issues and alternative agriculture.
