Greg Breining : Paddling Minnesota (Regional Paddling Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Paddling Minnesota (Regional Paddling Series):

0 of 0 people found the following review helpful. Must Have For Minnesota AdventuresBy B. WincklerI had checked this book out numerous times from the local library. I finally decided to just buy it so I would always have it to look at. It's been priceless when looking at new places to explore by canoe or kayak. I should have bought this way sooner!1 of 1 people found the following review helpful. Not all of the information you need, but a good starting guideBy Michael

A. Duvernois Some of the maps are lacking in detail, but this is the standard, and I think everyone paddling canoes and kayaks in Minnesota owns a copy. It's also the "official" book with the approval of the DNR (Department of Natural Resources). I'd love for better, and larger, maps, but this book is most of what you need. 0 of 0 people found the following review helpful. Five Stars By StellaB16 Excellent resource book!!

The official state guide to paddling destinations in Minnesota. Features more than 100 river and lake trips, with access points, difficulty ratings, and information on history, the environment, points of special interest, and fishing opportunities.

From the Back Cover As the official state guide, Paddling Minnesota will help you select a trip right for your level of skill with descriptions of more than 100 river and lake trips. The guide suggests where to put-in, where to take out, and tells about the difficulty, scenery, points of interest, history, and fishing places along the rapids. Included are trips on Minnesota's most scenic wilderness waters including Lake Superior and the Boundary Waters Canoe Area Wilderness.
