**Johnny Molloy : Paddling Tennessee: A Guide To 38 Of The State's Greatest Paddling Adventures (Paddling Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Paddling Tennessee: A Guide To 38 Of The State's Greatest Paddling Adventures (Paddling Series):

2 of 2 people found the following review helpful. Four Stars By Jeremy Foy Excellent beginners guide to paddling the rivers of Tennessee. 1 of 1 people found the following review helpful. Great for people re-locating to TN that are

looking forward ...By CustomerThis guide met our expectations completely. Great for people re-locating to TN that are looking forward to paddling the rivers in TN. Our first trip on the Red River was successful following this useful guide.0 of 0 people found the following review helpful. Great BookBy SteveVery well written, I can hardly wait to move there.

This guidebook offers trips covering every corner of Tennessee. The paddles are divided into the three primary regions of the state: West Tennessee, Middle Tennessee, and East Tennessee. Each paddle included in the book is chosen as a day trip, though overnight camping can be done where noted. With each of these waterways the author sought out a combination of scenery, paddling experiences, ease of access (including shuttling when necessary), and a reasonable length for day tripping.

From the Back CoverTennessee truly has something for every paddler, whether float trips down dark water trails of swamp rivers or kayaking excursions along whitewater streams. Paddling Tennessee describes the best and most accessible routes, thirty-eight classics in all, including Reelfoot Lake and the Hatchie River in the west; the Volunteer States contribution to great rivers of the worldthe Duck; and the crown jewel of Southern Appalachian paddling destinationsthe Hiwassee River. Carefully chosen to suit most beginning to intermediate paddlers, each route provides access to wilderness for city residents and visitors alike.
