From the canyons of Big Bend to the cypress swamps of Pine Island Bayou, the waters of Texas have something for most every type of paddler and every paddling mood. One might float the diminutive Comal River, argued to be the shortest river in the world. Another might dig deep and follow the four-day, 260-mile route of the Texas Water Safari, which Canoe Kayak Magazine referred to as The Worlds Toughest Canoe Race. Whitewater is here too. Lakes are as well. And, the Texas Gulf Coast is home to sandy beaches, knobby mangroves, and sea grass flats. Meanwhile, Texas is home to some of the fastest growing cities in America. And, paddling is the fastest growing outdoor sport in the country. Paddling Texas is a guide for those who are new to either and all those who love both. Featured trips offer easy access, secure environments, good facilities, great fishing, superb wildlife viewing, and beautiful scenery. Paddling Texas gives recreational paddlers and anglers all the information theyll need to paddle many of the best trips in Texas.
