Rainforest Publications : Panama Sport Fish Identification Guide (Laminated Single Sheet Field Guide) (English and Spanish Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Panama Sport Fish Identification Guide (Laminated Single Sheet Field Guide) (English and Spanish

Edition):

Great reference guide to Panama's Sport Fish. This guide is full color (printed with UV resistant inks), waterproof, durable (uses a 10 point print stock sandwiched between two 10 mil rigid polyester films) and just the right size (7"x11" (17.85cm x 28cm)) to slip into your pack for easy reference to the billfish, the snappers, snook, jacks, and the other fish, like tarpon, that you'll find in Panama's waters. Beautiful detailed scientifically accurate full color illustrations are by Alina Surez, is world renowned for her natural history illustrations and has designed wildlife stamps for Cuba as well as other countries. Each illustration includes the name of the fish in Spanish, English, and Latin, in addition to the all tackle world records for size and weight. Rainforest Publications' wildlife guides are the perfect companion if you're a naturalist, critter watcher, or adventure traveler.

About the Author Rainforest Publications specializes in the Wildlife and Natural History of Central and South America. Our wildlife guides are the perfect companion if you're a naturalist, bird watcher or adventure traveler. Our illustrators are tops in their field of interests and spend a lot of time in the wild and studying the species they illustrate. Most live in Costa Rica. Our scientific staff continually updates the guides so the information is complete and accurate. Our print company is locally owned by its employees. Our guides are printed in the USA on recycled paper.
