Eloisa James : Paris in Love: A Memoir before purchasing it in order to gauge whether or not it would be worth my time, and all praised Paris in Love: A Memoir:

0 of 0 people found the following review helpful. Back from ParisBy Olivia A. GilingerAfter taking a long weekend in Paris, this was a fun and lovely companion. I'm ready to go back and follow her footsteps. It is also an inspiration to the mundane.....and yes Paris just seems so much more exciting.0 of 0 people found the following review helpful. Paris Explored and Lived With LoveBy Cat MommyA lovely collection of short vignettes of the writer and her

family's yearlong adventure in Paris. This story is written with love and shares the daily incidents that make up each family members' Paris experience. The vignettes are glimpses into the daily events that are life-shaping, events that makeup and define lives and events that provide a guide to a life well-lived! A wonderful book that calls you back until you complete the read with a sense of satisfaction! 2 of 2 people found the following review helpful. A Review of Paris in Live: A Menoué By Geneva Monteith The book reunited me with my wonderful week in Paris. I would love to visit for a year. I love the dynamics of their family life and am sure the children's lives will always be positively affected by this time in Paris. Great writer!

Exhilarating and enchanting . . . brims with a casual wisdom about life. Chicago Tribune In 2009, New York Times bestselling author Eloisa James took a leap that many people dream about: She sold her house, took a sabbatical from her job as a Shakespeare professor, and moved her family to Paris. This memoir chronicles her joyful year in one of the most beautiful cities in the world. Eloisa revels in the ordinary pleasures of life discovering corner museums that tourists overlook, chronicling French women's sartorial triumphs, walking from one end of Paris to another. She copes with her Italian husband's notions of quality time; her two hilarious children, ages eleven and fifteen, as they navigate schools not to mention puberty in a foreign language; and her mother-in-laws raised eyebrow in the kitchen (even as she overfeeds Milo, the family dog). Paris in Love invites the reader into the life of a most enchanting family, framed by la ville de l'amour. NATIONAL BESTSELLER In this delightful charm-bracelet of a memoir, [Eloisa James shares] her adventures as an American suddenly immersed in all things French food, clothes, joie de vivre. People Enchanting . . . gives the reader a sense of being immersed along with James in Paris for a year . . . you see the rain, taste the food, observe the people. USA Today This delectable confection, which includes recipes, is more than a visit to a glorious city: it is also a tour of a family, a marriage, and a love that has no borders. Trs magnifique! Library Journal (starred review)

.com A Look Inside Paris in Love Eiffel Tower Eloisa and her husband, Alessandro Eloisa's Daughter, Anna Milo, the family's obese chihuahua Paris in the rains Exhilarating and enchanting . . . brims with a casual wisdom about life.
