From PassPorter Travel Press : PassPorter Disney Cruise Line and Its Ports of Call 2009 before purchasing it in order to gage whether or not it would be worth my time, and all praised PassPorter Disney Cruise Line and Its Ports of Call 2009:

2 of 2 people found the following review helpful. a must haveBy MissysueIt would probably be best if I reviewed this book after my cruise; however, I used the 2007 book on my last Disney Cruise. This book really gives you all the information you need and even helps you prepare you for travel. You can use it before and during your cruise. If you think you may be taking a Disney Cruise, purchase this book long before you think you need it. There are tips you can use to book your cruise, like what cabins are better than others, which dining seating you may want, which areas of the ship are noisy/busy, and what your dining schedule may be like. There are also some reviews on shore excursions.0 of 0 people found the following review helpful. no mexican cruises reviewedBy L. ChinAs many other reviewers have stated, this is an excellent guidebook full of very useful information, whether you are a first time cruiser or a veteran. I purchased this book because of these excellent reviews. However, it does not contain any information on cruises from Los Angeles to Mexican ports of call. I hope these, and Alaska ports of call, will be included in the 2010 edition. To be fair, the authors state that they only include the itineraries for 2009, as well as 'sneak peaks' of cruises for 2010.0 of 0 people found the following review helpful. A MUST read if you plan to take a Disney CruiseBy D. DownsI love these Guides that help prepare you for Amusement Parks.This title was recommended for a recent cruise.It was a GREAT investment.There were a lot of information covered in the bookthat I did not receive in advance from Disney.This book has it all...from sample menus, to bestlocations for breakfast and lunch, to lots of wonderfulinsider tips.I am SO glad we bought this book.We will definitely purchase one again!

Planning and having a magical Disney Cruise vacation is a breeze with this take-along travel guide. In exhaustive detail, it covers every aspect of preparing for and traveling on the Disney Cruise Line, and its planning tips are suitable for both first-time and veteran cruisers. Included are floor plans of each stateroom category (with recommended rooms and rooms to avoid), restaurant and room service menus, shore excursion descriptions and reviews for each port of call, daily activities, childcare options, money-saving ideas, packing tips, advice for those new to the line, and much more. Accompanying this in-depth information are over 90 original photographs and more than 20 maps, charts, and worksheets. Fourteen handy pockets allow readers to store small items like cruise documents, passports, maps, and receipts. Each pocket has fill-in-the-blank sections to record itineraries, expenses, and other information.

About the AuthorJennifer Marx is the author of more than 30 books, including the guide that started it all: PassPorter's Walt Disney World. Dave Marx is co-founder and publisher of PassPorter Travel Press with Jennifer and he has co-authored 21 PassPorter guidebooks and contributed to or co-authored numerous books about America Online and the Internet. They live in Ann Arbor, Michigan with their son Alexander.
