Jennifer Marx, Dave Marx : PassPorter Field Guide to the Disney Cruise Line and its Ports of Call Deluxe before purchasing it in order to gage whether or not it would be worth my time, and all praised PassPorter Field Guide to the Disney Cruise Line and its Ports of Call Deluxe:

After reading it from cover to cover (never having been on a cruise before) I marked everything that seemed important. The Packing List page was especially useful. I wouldn't have thought to bring an electrical power strip, but this proved especially useful as there are very few outlets in the staterooms. This book should be the "bible" of first time cruisers!

The fifth edition of this best-selling guidebook contains in-depth coverage of the Disney Cruise Lines 2007 Mediterranean itineraries and ports of call. Its all here, from dining room menus and detailed deck plans to daily
