**Jennifer Marx, Dave Marx : PassPorter's Disney Cruise Line and Its Ports of Call 2008** before purchasing it in order to gage whether or not it would be worth my time, and all praised PassPorter's Disney Cruise Line and Its Ports of Call 2008:

1 of 1 people found the following review helpful. Excellent guide to cruising Disney style  
By Customer  
The Passport is an excellent guide to the Disney Cruise Line. It's well laid out with thumb indexing of chapters, and full of tips for the first time Disney cruiser, along with tons of info on every port of call. One of the things I liked best was the inclusion of actual comments from past travelers on the shore excursions, in addition to tips and ideas sprinkled throughout the book by past cruisers. As is expected nowadays, they have an internet presence at [...] with forums and past trip reports, along with color pictures, etc. If you're thinking about this book, head to their website [...] to download a PDF excerpt file that will give you a taste of the style and layout of this excellent guidebook.  
Update for 2010 Guide: Still a fantastic guidebook for DCL. The 2010 book has updated info on the Dream, and new ports of call. The only thing I'd like to see more of is reviews of the newer excursion options - this book is really a must have if you're taking a Disney Cruise!!  
16 of 16 people found the following review helpful. All encompassing!  
By professional shopper  
This is a great book! It really covers all aspects of the cruise line. A definite must for first time cruisers and great for returning cruisers too. Even if you are one of those people who has done lots of homework in your planning, this book has a lot of additional info to offer. The perfect book to bring with you and refer back to on your trip.  
3 of 3 people found the following review helpful. A required guide for the Disney cruises  
By Adam Swick  
This is THE book that Disney should include for free with your cruise. Everything you need to know for the cruise is included. The book includes highlighted chapter tabs to quickly find a section of the book. As a second-time cruiser, I found the book to have great tips for things I didn't do on the first cruise. Highly recommended.

The sixth edition of this best-selling guidebook brings a wealth of new information, including in-depth coverage of the lines 2008 West Coast (Mexican Riviera) and Panama Canal itineraries and ports of call. No detail is left uncovered the book includes recent changes, Disney's new cruise liners, tips for first-time cruisers, the latest word on U.S. passport requirements, money-saving ideas, details on Florida's Disney cruise line terminal and the Los Angeles cruise terminal, packing tips and lists, floor plans of each stateroom category, recommended staterooms (and rooms to avoid), complete menus and room service information, children's clubs and programs, activities for all ages, an Internet caf guide, planning calendars, and much more. Featuring 90 original photographs and more than 20 maps, charts, and worksheets, along with candid peer reviews, this is the one-stop guide to Disney cruises.
