Jennifer Marx, Dave Marx, Alexander Marx : PassPorter's Walt Disney World 2015 Deluxe before purchasing it in order to gage whether or not it would be worth my time, and all praised PassPorter's Walt Disney World 2015 Deluxe:

The binder on the leather deluxe version is not the highest quality leather. The pen it comes with is rather cheap looking. (I replaced it with a better pen) I would buy the passporter again however I would probably not buy the deluxe version and buy a nicer leather binder.0 of 0 people found the following review helpful. The passPorter for disney World.By RobinI always take a PassPorter to Disney World. This year there isn't a book store in our town any more so I ordered it here. It has all the information I need and places to put small things like receipts and plans showing the park and what we saw. It has maps work sheets and charts so I can plan ahead where I will be each day. I recommend this especially if this is a first trip.0 of 0 people found the following review helpful. Great guide.By KristianThis is my favorite guide book. I have gotten one every year since 2010 and this year I decided to buy the leather bound binder. Now I can fill it every year :)
