opened the book slowly making it as if I was opening a Christmas present. I DID go straight back to the PassPorter pockets. I LOVE THEM!!!! I cant wait to use them, they are wonderful!!! I read this book from cover to cover. (highlighter in hand, and skipping lunch as not to get mayonaise on my new PassPorter book) I have to say that this the BEST book by far that I have seen. there's info on the resorts. restaurants, and even things that most people don't even think of doing (ie me) unless its pointed out to them I couldn't believe how much information was in this book!!!! It has maps for ANYTHING AND EVERYTHING. Charts on the resorts, food and attractions siting best and worst, prices (for the restaurants), what each "age group" each park would get a kick out of more. (ie couple, singles, family, the young, and last but not least, the young at heart)There are sections for planning, trip notes, budgeting, even an area to get some character autographs I would TOTALLY reccomend this book!!!! It's value is off the charts!!0 of 0 people found the following review helpful. Fabulous, fabulous organizer!By Happy HippieSince I am a Disney junkie planning my latest pilgrimage I was browsing .com looking for new and interesting books. At first I thought this book was a bit expensive. I toyed with buying the wirebound version instead of the Deluxe binder bound organizer version. I am very glad I did finally get the Deluxe. I LOVE the way this is put together. In addition to the daily pockets to save things from the trip there are also other pockets inside the cover which I've been using to organize my notes, keep my travel club memberships handy, etc.I registered my copy at the Passporter website and mentioned that I had a small problem with part of the book which might have been defective. Within hours of registering I was advised by the authors that they would replace that item. I thought this was very good business practice, not to mention very generous of them! I'm so impressed I've already inquired as to when the next version will be released so I can order it ASAP!Readers will find lots of detailed, great information here - even the most jaded Disneyphile will learn stuff about the resort they didn't already know! Well worth the price!1 of 1 people found the following review helpful. Travel around The World with Passporter!!!By P. S. RouseHow many ways can I tell you I love my new Passporter WDW 2002 Deluxe Edition? This guide is multi-purpose useful and you will find it one of the most important accesories you will pack for your trip to WDW.Not only is the 2002 Deluxe Edition comprehensive about everything you would ever want to know regarding the parks,the resorts, the rides, the shops, the food.. everything.. You also get diagrams of the resorts and property.. maps of the area, several "passpockets" in the back to help you keep track of all your information, (meal reservations, postcards,stamps.. notes.. lists of photo shots.. etc.. Basically anything you would want to keep handy before,during and after your trip). It's really a great asset for those scrapbookers too!!! It also has great kids ratings!And just when you thought it was too good to be true.. You can access to updated information on the Passporter website and get the last bit information before you go.. or order extra Passpockets for your Passporter.. Don't leave for the World without it!!! =)

Design magical vacations with this travel guide and planning system for everyone's favorite playground. Eleven built-in organizer pockets keep plans, maps, and memories all in one place, and the travel guide includes everything you need to plan the perfect vacation. All Disney parks and resort hotels are described in depth, with ratings, and more than 20 maps. Comprehensive information for planning, traveling, and dining is also included, along with an entire section devoted to extra-special Disney magic. Design your vacation with the help of five planning worksheets, write your itinerary on the front of each organizer pocket before you go, store guidemaps, brochures, tickets, and receipts inside the pockets while you're there, and record expenses and memories to review and share when you return. This is the ultimate traveling companion for Walt Disney World!

.com How many pouches, pockets, bags, and purses do you want to carry at Walt Disney World? And how well will you remember, amid the clamor and frenzy, which sack holds your entry tickets and which your meal coupons, where you put that map and what you did with the hotel reservations? Among the jumble of guidebooks and cameras, souvenirs and sunglasses, important slips of paper elude panicky fingers. But it needn't be so. The PassPorter is a brilliant travel aid. It boasts 11 sturdy manila pockets, each clearly labeled, so you know which holds important travel papers (like tickets, itineraries, and maps); which houses papers pertaining to your lodgings; and where to store all the notes, plans, tickets, pamphlets, coupons, and numerous etceteras for each day of Walt Disney World exploration; as well as extra slots for ticket stubs, receipts, and small souvenirs. These pocket pages are also designed for recording important information, such as flight, train, or bus details; target travel budgets; and what you plan to do and where you plan to visit on any given day. Each page has space for jotting down notes and memories of the trip, from meals to weather to the best and worst thing of each day. If you're not an avid journal keeper, these quick notes may keep your many experiences from running together into one hectic jumble. The pockets alone make this a useful take-along, but the PassPorter is a thorough source of information as well. There are chapters on planning your adventure, lodging options from hotel to resort, plus a full guide to all the sites and attractions of Walt Disney World, as well as passes, special programs, food options, and maps. With a durable laminated cover, spiral notebook design, and back page of phone numbers (everything from Walt Disney World information to the weather line to MedicClinic), this is possibly the most practical, sanity-saving guide you could take along to Disney World. --Stephanie Gold Judge's comments: "...the format of how the information appears...makes this book special...concise, very informative, and most

useful." -- Society of American Travel Writers Foundation, April 2000"PassPorter Walt Disney World is a unique planning tool, organizer, journal and keepsake -- a great resource, particularly for families planning their first Disney adventure.
