Jeffrey W Simons moving and accurate portrayal of a legendary coach who was unfairly maligned. Jay is a magnificent writer, he does his father proud! 0 of 13 people found the following review helpful. Enduring Lessons Is No Immanuel Kant but Just A Money-Making Scheme by Jay Paterno By Customer Jay Paterno didn't write the book and simply gave a "story" to another writer. If the Paterno family are truly benevolent people, why has Jay Paterno talked about building a hospital in Africa and fighting malaria when the local hospital in his hometown has been re-named after a little mountain and has NO TRAUMA center. A very large student population and others in the area enjoy BEER promoted by the Paterno name even after decades of traumatic injuries and deaths as a result of the "alcohol" culture that PSU has created. I find it extremely sad that Mt. Nittany Hospital does not have the ability to care for traumatic injuries including burns. The closest hospital capable of handling these is located in Altoona Pennsylvania. Persons with traumatic injuries have to be transported via helicopter or ambulance, and to many people, this is an unacceptable standard of care for the local community. In addition, if I'm not mistaken, the law in Pennsylvania REQUIRES educators/teachers/coaches/licensed medical persons, etc. to REPORT valid concerns regarding child abuse to police who are NOT essentially rent-a-cops employed by a University.

A memorial to one of the greatest coaches in college football history written by the man who knew him better than anyone: his oldest son and coaching protégé This biography of Joe Paterno by his son Jay is an honest and touching look at the life and legacy of a beloved coaching legend. Jay Paterno paints a full picture of his father's life and career as well as documenting that almost none of the horrific crimes that came to light in 2012 took place at Penn State. Jay Paterno clear-headedly confronts the events that happened with cool facts and with passion, demonstrating that this was just one more case of an innocent man convicted by the media for a crime in which he had no part. Noting that the scandal itself was but a short moment in Joe Paterno's life and legacy, the book focuses on Paterno's greatness as a father and grandfather, his actions as a miraculous coach to his players, and his skillful dealings with his assistant coaches. Available in paperback for the first time, this updated edition provides readers Jay Paterno's perspective on the latest developments at Penn State.

About the Author Jay Paterno is the son of Joe Paterno and was on Penn State's coaching staff for 17 seasons, 12 of which he served as the quarterback coach. He is a writer whose work has appeared in numerous publications, including the Centre Daily Times, the Penn Stater, and USA Today. His columns for StateCollege.com have been cited by Sports Illustrated and ESPN. He lives in State College, Pennsylvania. Phil Knight is the cofounder and chairman of Nike, Inc. and one of America's most well-known entrepreneurs in the sporting world. Nike is the official athletic supplier of Penn State football jerseys and shoes. He lives in Beaverton, Oregon.
