If your a fan, obviously you will love this book.If your a hater of the Patriots, but want a true story of how a guy who came from next to nothing, thru hard work achieved everything, I think you will enjoy this book. No one worked harder than Troy Brown.No one gave him anything, he went out and did the work, and achieved greatness, literally on his own. He was laboring in the heat on a farm, working working working, with his

eyes on a football career. People doubted him, but he never let what other people think stop him. Its no surprise the Pats won like they did when you think about the guys like Troy, and Vrabel, and Phiper, and Faulk, and Willie Maginest and sooooo many others I cant bother to name them all, on the same team. These guys KNEW HOW TO WIN!!!7 of 7 people found the following review helpful. He really did get Bingo!By LauraI confess that Troy Brown is my all time favorite Patriot player.
