**Jason Cochran : Pauline Frommer's Walt Disney World and Orlando (Pauline Frommer Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pauline Frommer's Walt Disney World and Orlando (Pauline Frommer Guides):

Even though most American families will make at least one pilgrimage to Orlando, too many of them end up spending far more than they have to for their vacations. This book initiates you into the world of savvy discount travel shopping, from finding the very lowest airfares to booking theme park tickets through the right sources so you pay less. The book has a complete breakdown of every major theme park's attractions--their best seats, their histories, how to evade their long lines--with opinionated advice on which to hit and which to skip, depending on your taste and age (and the age of your kids). We'll explore lodgings in depth, starting with the best theme-park-based hotels for your money. We also name reputable renters of palatial digs such as full houses and condos located less than two miles from Disney, which come with screened-in pool, free internet, private game rooms and more--all for less than you'd spend on a cramped hotel room. Featuring: In depth itineraries to help you make the most of your time in the theme parks The "Other" Orlando that most visitors miss, from behind the scenes tours showing you how the "magic" is made to a nearby, all-psyche community to a nature preserve with 3000 year old secrets Money saving tips on shopping, meals, attraction tickets and much more And avoiding wallet drain for meals in Orlando is only half the battle. We cover secret, lesser-known local restaurants as well as give readers a useable, fun strategy for the best theme park meals.

From the Back Cover "A great read. . . . Lively and unabashedly opinionated." New York Post Budget Travel Redefined I put a fresh spin on budget travel, showing you not only how to spend less in Walt Disney World and Orlando, but how to see and do everything you want, without sacrificing comfort for savings. Smarter accommodations: Instead of cramming into a small hotel room, rent a complete two- or three-bedroom condo for half the cost (p. 26). Or, if you have your heart set on a Disney resort, I'll tell you how to score the best price and negotiate the packages (p. 33).
