Mark Wallington : Pennine Walkies: Boogie Up the Pennine Way before purchasing it in order to gage whether or not it would be worth my time, and all praised Pennine Walkies: Boogie Up the Pennine Way:

1 of 1 people found the following review helpful. Gentle humor and understated eloquenceBy Melanie PolandThis book was a joy to read from start to finish. The author's sense of humor is filled with a love for both life and dog. Easy to read and, though the prose is concise, the author conveys a rich imagery that carries the reader along the Pennine Way along with him.
