Tanya Lloyd Kyi : Pennsylvania (America) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pennsylvania (America):

3 of 3 people found the following review helpful. It is beautiful! It's a great value and a wonderful representation ...By Carol Madagan Since I am from Pennsylvania, I purchased this book as a gift to give my Chinese assistant in my English classroom in China. It is beautiful! It's a great value and a wonderful representation of Pennsylvania. 2 of 2 people found the following review helpful. to give them an idea of what Pennsylvania is like. It was a great choice By Kelly H. I bought this book as a gift for some European friends, to give them an idea of what Pennsylvania is like. It was a great choice.

When people think of American history and the colonial era, they think of Pennsylvania. After all, its most iconic images are of Amish people, picturesque red barns, and rolling wheat fields. Its where Declaration of Independence and the Constitution were signed. But those sepia-toned images miss the whole picture of a state that is modern, growing, and vibrant. This is a state where you'll find more Impressionist art than in Paris and more religious artifacts than in the Vatican. Come see that and more in over 90 pages of full color photos dedicated to Pennsylvania.

About the Author Tanya Lloyd Kyi is a freelance graphic designer and writer. She grew up in Creston, British Columbia, but now lives in Vancouver.
