**Christine O'toole : Pennsylvania Off the Beaten Path: Discover Your Fun (Off the Beaten Path Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pennsylvania Off the Beaten Path: Discover Your Fun (Off the Beaten Path Series):

Tired of the same old tourist traps? Whether youre a visitor or a local looking for something different, let Pennsylvania Off the Beaten Path show you the Keystone State you never knew existed. Discover extinct creepy crawlies at the Insectarium, the countrys largest bug museum. Put your car in neutral, take your foot off the brake, and feel the spooky effects of Gravity Hill. Head 150 feet underground to get an up-close look at the history of coal mining at Tour-Ed Mine. So if youve been there, done that one too many times, get off the main road and venture Off the Beaten Path.
