**Burton K. Kummerow, Christine H. OToole, R. Scott Stephenson : Pennsylvania's Forbes Trail: Gateways and Getaways along the Legendary Route from Philadelphia to Pittsburgh** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pennsylvania's Forbes Trail: Gateways and Getaways along the Legendary Route from Philadelphia to Pittsburgh:

1 of 1 people found the following review helpful. Forbe's TrailBy Peter WestoverThink this may be more of a regional book, fascinating to me because of its relationship to western Pennsylvania, USA: you can sit down with this book, read how it appeared then and relate that to that odd stone rest stop the national road it is today.But it is more appealing than that. If you learned that thought General Braddock, Forbes and the British redcoats were dolts who left the real task of opening the frontier (then anything west of Winchester, Virginia and Carlisle, Pennsylvania) to the post revolutionary war Americans - think again. This is the story of of an undertaking in its time probably more monumental than landing on the moon. For all the heroic settlements hacked out of the vast forests, it was really this road that tamed the wilderness. A truly fascinating saga, with lots of illustrations for the visual learner.The National Road without a single McDonald's: who could imagine?0 of 0 people found the following review helpful. Excellent book if you are interested in the French and ...By fred hartmanExcellent book if you are interested in the French and Indian War. Good narrative if you want to follow the Forbes Trail in Pa. And enjoy all the historical sites along the way.0 of 0 people found the following review helpful. A very good and well written description and history of the

Forbes ...By LAPA very good and well written description and history of the Forbes Trail. Recommend the Pennsylvania Cable Network (PCN) video program about the Forbes Trail, as a companion to the book.

The year: 1758. A global conflict known as the French and Indian War rages, with the British battling the French and their Indian allies for control of North America. This spellbinding chapter in American history unfolds in a lively historic narrative, punctuated with rich, original illustrations. Join a headstrong young George Washington and British General John Forbes as they carve a trail through the Pennsylvania wilderness, capture Fort Duquesne and help set the stage for the birth of a nation. Let history be your guide as you experience the Forbes Trail today. Start at one of seven gateways as you traverse 250 years of American history and explore the authentic historic sites, natural wonders, restored houses and gardens, and extensive recreational opportunities that define the Forbes Trail.
