Couldn't be happier!0 of 0 people found the following review helpful. It's a little out of date.By animal loverBook was printed in 1996. there have been many changes in the parks since then. It's helpful in at least telling us about where some parks are that we don't know about but otherwise the info is not current.0 of 0 people found the following review helpful. Five StarsBy donna jonesVery informative nice book

From the rear cover of this 399 page book: "The only guide to Pennsylvania's great state parks. A complete recreation guide to camping, hiking, boating, lakes, wildlife, cabins, cottages, fishing, fly-fishing, beaches, pools, golf, natural areas, rivers, birding, mountains and more. Hundreds of photos and maps, comprehensive and detailed information on planning your trip, choosing a park, facilities, amenities, and much more. Here's all the important information for campers, hikers, fishermen, golfers, boaters, day-users and resort lovers."
