**Carol M. Schubeck : Personal Peaks** before purchasing it in order to gage whether or not it would be worth my time, and all praised Personal Peaks:

0 of 0 people found the following review helpful. Telling it with wisdom and strength!By David Christensen"What an inspiration to help oneself grow to a new levelof awareness".

"Personal Peaks" captures life through the personal growth of moving and travel. A collection of inspirational poems to promote your life with openness, risk, and change. Enhancing the internal and external nature of your life's journey.

"Personal Peaks" inspired by famous quotes is divided into chapters of Timing, Risk, Openness, Growth, and Beginnings and Endings.

"Enjoy brief glimpses from "Personal Peaks" to inspire your day." -- Mark Victor Hansen, Co-creator, #1 New York Times best-selling series Chicken Soup for the Soul "Everyone can relate to the emotions that "Personal Peaks" expresses thoughtfully and vividly." -- Jean Mather, MA, Department of English, CA State University "The writings awaken in us the greater existence of life in today's world." -- Dave Reed, Ph.D., Clinical Psychologist Consultant
