Dawn Habgood, Robert Habgood : Pets on the Go: The Definitive Pet Accommodation and Vacation Guide (On the Road Again With Man's Best Friend) before purchasing it in order to gage whether or not it would be worth my time, and all praised Pets on the Go: The Definitive Pet Accommodation and Vacation Guide (On the Road Again

With Man's Best Friend):

Featuring comprehensive listings on pet-friendly accommodations, these guides allow travelers to share their vacations with their favorite canine companions. Each independent review lists contact information, number of rooms, corresponding rates, details on specific features and amenities, as well as character, ambience, cuisine (for both pets and people), and a history of each establishment. The United States guide features more than 18,000 listings of accommodations as well as rules and regulations for taking a pet into all the state and national parks in the country.
